

**PLAINFIELD QUAKERTOWN SHAKERS  
SQUARE DANCE CLUB  
MEMBERSHIP FORM**

Our membership dues cover the club costs and the dues that the club pays to the Indiana Dancers Association (IDA). As a club, we are a 100% IDA club, and as such, the club members are covered by insurance provided by United Square Dancers of America (USDA). Club membership also provides for a reduced price to the IDA NEWS. We encourage every dancer to actively participate in club membership. Without square dance clubs, like ours, we would not have places to go and enjoy this wonderful activity.

As a member of IDA

- You have an opportunity to meet and cooperate with over 4,000 dancers and callers who are IDA members to express your opinions and offer your suggestions on ways to improve dances and meetings.
- You can attend free dances held throughout the state at NO COST to IDA members.
- You will receive an IDA decal for your badge.
- You may attend four State IDA meetings, held throughout the year, to discuss IDA activities. You take an active part in determining what your IDA will do in the future to help promote square and round dancing.
- Your IDA organization maintains a website (<http://indancers.org/>) for communicating organization information to the public. A schedule of dances for each month and includes interesting items of related information.
